19th Annual Heritage Homes Tour
The Bold & Beautiful
Saturday, April 9, 2011
10 a.m. – 4 p.m.

Join us as a volunteer for this beloved annual event. The Bold & Beautiful will feature the drama and grandeur of seldom seen estates from historic Austin, including Woodlawn, Sweetbrush, the Neill-Cochran House, Commodore Perry Estate, and Inshallah.

Volunteers will receive one free ticket to the tour.

Volunteer Description:

Docents work 2-4 hour shifts with the house chair the day of the tour. They are given a history script as written by the HSA research committee. They tell the tour-goers about the history, lead them from room to room and are available for answering questions. Docents are strongly encouraged to attend a special informational meeting to be scheduled in late March at the home they will be working at. They will be given a tour of the home, receive the house history, and be assigned a working location within the house for the day of the tour.
